

Appl. No. 09/700,712  
Amendment dated: April 11, 2005  
Reply to OA of: September 23, 2004

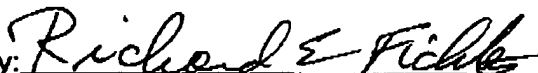

**REMARKS**

Applicant has amended the claims to more particularly define the invention taking into consideration the telephone interview with Examiner Devi. The Examiner's helpful comments are very much appreciated and have been adopted in an effort to place the application in condition for allowance. The phrase at least one has been used as requested by the Examiner. This phrase includes more than one, that is, a plurality where appropriate. The obvious typographical errors introduced by the undersigned attorney are regretted and have been corrected to place the application in condition for allowance.

In view of the above comments and further amendments to the claims, and for the reasons set forth in the previous response, favorable reconsideration and allowance of all of the claims now present in the application are most respectfully requested.

Respectfully submitted,

BACON & THOMAS, PLLC
